Hello,

Thank you for taking time to learn about Impact Medical Services. We appreciate the opportunity to tell you about our business and how we can help you. Impact Medical Services is a BOC accredited, Medicare DMEPOS, that focuses on providing top tier wound care products. We have over 100 years of accumulated experience in navigating the complexities of insurance billing and we want to bring that expertise to you. Based in Kansas City, MO we focus our business on two segments of the wound care market: .hospital-based outpatient wound care departments (HOPDs) and long-term care facilities. These two market segments require us to participate in variety of insurance plans including:

- Traditional Medicare
- BCBS
- Coventry
- UHC
- Cigna
- Aetna
- Care Improvement Plus

Orders received by 3:45 PM CST ship the same day, and all orders are shipped either next day air or two-day air depending on patient preference. Hardships are available to patients who cannot afford their coinsurance, and patients are not required produce financial documentation. We strive to make sure that every patient that needs wound care supplies receives them. Angelini sales representatives have direct access to myself to ensure that all questions and concerns are promptly answered. We look forward to the opportunity to work with you and to prove how valuable of a resource we can be. If you have any questions or concerns, please feel free to reach out to me at any time either by email, phone or personal cell.

Sincerely,

Chris Curran
